Personal Statement:

Please answer the following question in 100 words or less:

NYSACAC Executive Board members are leaders of a vital organization. Please describe your vision of NYSACAC's future and how your leadership can help to advance the association's mission.

Thank you for considering me for delegate. I previously served two years as a high school delegate, but as a result of a career change, I resigned my position. After four years as an Assistant Principal, I recently returned to the school counseling profession and am once again eager to serve NYSACAC in a leadership capacity.

If elected delegate, I would like to accomplish three things:

- Increase opportunities for formal/informal dialogue between high school counselors and college admission professionals;
- Increase NYSACAC membership among high school counselors; and
- Work to familiarize non-NYSACAC members with the Statement of Principles and Good Practices.
